

Dear «Preferred_Name»,

Thanksgiving is a time to express thankfulness and gratitude for the good things in our lives. I am especially thankful for my wonderful husband Roger and my two loving, children Jim and Lisa. I appreciate the support I receive from the District 10 constituents and I feel blessed to have friends all over the world. I am also grateful for my fantastic staff in the District 10 Office and all their hard work throughout the year.

Additionally, I am thankful for the economic growth that District 10 has recently seen. The opening of Whole Foods last week was particularly exciting. I have been advocating for some time that Blossom Hill should be the premier retail corridor in the area and Whole Foods at the corner of Blossom Hill and Almaden Expressway is supporting that goal. The Whole Foods opening has also led the way for other businesses to successfully open their doors in that same shopping center. I look forward to welcoming Pete's Coffee & tea, Pet Smart Express and Red Berry Frozen Yogurt to District 10 shortly. We are also working to bring a replacement for P & W as soon as possible.

Thanksgiving Delights

On Thanksgiving Day we're thankful for
Our blessings all year through,
For family we dearly love,
For good friends, old and new.

For sun to light and warm our days,

Whole Foods opened in San
Jose on Wednesday,
November 10th!

For stars that glow at night,
For trees of green and skies of blue,
And puffy clouds of white.

We're grateful for our eyes that see
The beauty all around,
For arms to hug, and legs to walk,
And ears to hear each sound.

The list of all we're grateful for
Would fill a great big book;
Our thankful hearts find new delights
Everywhere we look!

*Happy Thanksgiving
from all of us at District 10*
